

# FALL Checklist

- ✓ Plant **spring flowering bulbs**.
- ✓ Empty and clean concrete & pottery; store inside or upside down.
- ✓ Uproot dead annuals, and cut back perennials - *refer to Perennial Cutbacks*.
- ✓ Gently rake beds to remove debris.
- ✓ **Compost** garden and yard waste.
- ✓ **Top dress** raked beds with 1-2 inches of **compost**.
- ✓ Apply 2-4 inches **salt marsh hay or bark mulch** to perennials, shrubs & trees.
- ✓ **Stake** newly planted trees.
- ✓ Continue to **water** newly planted trees & shrubs until ground freezes.
- ✓ Use **SuperThrive** to encourage root growth.
- ✓ Winterize and **protect roses**.
- ✓ Apply **Wilt Pruf** to evergreens.
- ✓ **Tree Wrap** trunks to prevent rodent girdling and sun scald.
- ✓ **Pot up** tender perennials, herbs, dahlias, cannas and bulbs; store in protected place.
- ✓ Use **Neem Oil** and **houseplant systemic**, to kill bugs before bringing houseplants back indoors for the winter.
